Not a Drop of Alcohol

What is a "tonic"? A medicine that increases the strength or tone of the whole system. What is an "alterative"? A medicine that alters or changes unhealthy action to healthy action. Name the best "tonic and alterative"? Ayer's Sarsaparilla, the only Sarsaparilla entirely free from alcohol. Ask your own doctor all about it. Never take a medicine doctors cannot endorse. J.C. Ayer Co., Lowell, Mass.

Without daily action of the bowels poisonous products must be absorbed. Then you have impure blood, biliousness, headache. Ask your doctor about Ayer's Pills for constipation.
